Let us together be committed to the UAE vision of reading

Dear Parents,

We have challenged ourselves to clock in **1046 reading hours in 46 minutes!**

Help your child accomplish this goal by joining us on **Monday morning at 08:00 – the 20th of November 2017 for an hour.** Bring along your favourite book and read alongside the students. This is an opportunity for you to motivate your child to read and share with them the excitement and accomplishment of achieving the target.

Do come alongit will be fun..... bask in the sunshine; sip your coffee as the magic of words transports you to another world. Bring books in the language you enjoy reading most*language is not a barrier!*

Hoping to see you there! Your children are expecting you to be there!
