Early Years Foundation Stage Admissions for 2019 - 2020
Admission for Siblings

Dear Parents,

We are pleased to announce the opening of sibling priority admissions to Foundation Stage-1 for the academic year 2019-2020. The high quality Early Years provision at Pristine provides a happy, secure and caring learning environment, nurtured through an enriching curriculum and positive relationships, which sets the foundation for learning and future success.

As a matter of school policy, priority for seats does go to siblings already in school and students of Pristine Rainbow Nursery. However, please bear in mind that we have a limited number of places and all applications will be based on student assessments to determine school readiness.

Assessments for FS-1 are based primarily on observation of the child at play, engaging her/him in conversation to observe:

- Social and emotional readiness to comfortably adapt to the school's learning environment
- Level of fluency in English at an age-appropriate level to access the curriculum
- Level of age-expected physical development (fine and gross motor skills)

ADMISSION PROCESS:

Please visit our school website www.pristineschool.com to complete the Online Application Form. Once we are in receipt of your online application, you will receive an email providing you with an online registration number.

Age Criteria: The child must be 3 years old on or before the 1st of September 2019 but not more than 4 years old to be assessed for admission.

Mandatory pre-requisite: Six months of nursery/ pre-school experience is a pre-requisite for admissions to FS-1

- Application fee of AED 500/- Non-refundable and Non-transferable

Please note the following important information:

- The school witnesses a very high demand for FS1 admissions and applications received after the 22nd of November 2018 will be processed along with non-priority applications and would thus drastically reduce the chances of admissions.
- The application fee is non-refundable and nonadjustable regardless of whether the child is scheduled for an assessment or is offered admission.
- Upon receipt of application and subject to seat availability, applicants will be shortlisted and scheduled for an assessment.
- All FS1 students are expected to be toilet trained before the start of the academic year.
- Offers for admission are subject to seat availability and successful assessments. Outcomes of applications and assessments are final and not subject to review by the school.

We look forward to receiving your application and to welcome your child to our FS1 programme.

Thanking You.
