Date: 21st March, 2018

Dear Parents,

Subject: Own Transport Dispersal Process Yr. 1 to Yr. 13

In a pursuit to strengthen the safety and security of all students and adults the following changes will take effect from **Sunday, 8th April 2018.**

- All students holding outpass will exit the school **only from Gate No. 4. No parents or visitors will be allowed to access the school from this gate.**
- All students who are picked up by their parents will exit the school **only from Gate No.3. It is mandatory that the parent / carer collects the child from the school.**

I once again strongly urge all parents to be cautious and ensure safety of all pedestrians in the school vicinity especially during arrival and dispersal times. I strongly request you to ensure that no idling cars block any of the school entrances or are parked on the zebra crossings. This is not only a RTA traffic violation but also a major safety hazard which causes extreme risk to all pedestrians, both students and adults.

I look forward to your kind cooperation.

Best Regards,
Shagufta Kidwai
Principal
